### Minutes for September 25, 2013 meeting

by Joan Winters - Secretary

Opening remarks by Nwana president Martin Rubin at 7:00 PM. Included were his announcements of upcoming events like the Saturday, October 26 Nwana Mega Garage Sale. Announcements were to be followed up with articles in the October Newsletter.

Due to the number of guest speakers the approval of the June 18, 2013 minutes was tabled, as well as the Treasurer's annual report, until the October 23, 2013 meeting.

More than 60 people attended the meeting. Saint Andrew's Pastor Caleb Crainer welcomed those in attendance, followed by Santa Monica Airport Commissioner David Goddard's presentation. Los Angeles City Councilman Mike Bonin followed speaking about Santa Monica Airport and its impacts on his constituents. He mentioned that along with the help of LA City Attorney Mike Feuer and California Senator Ted Lieu that "we want to address the environmental travesty of Santa Monica Airport". State Senator spoke about SMO and his longtime efforts to help correct conditions there for his constituents. He awarded a California Senate Certificate of Appreciation to Concerned Residents Against Airport Pollution for their ten years of community service.

There was a lively Q and A regarding fracking and Santa Monica Airport.

Zone 2 director Bill Koontz gave a MVCC update.

A lively discussion took us through to the end of the meeting.

The meeting was adjourned by 8:30 PM.
