Bill Rosendahl Meeting Recap

Thanks to all the North Westdale residents who attended last month's meeting with our Los Angeles City Councilman, Bill Rosendahl! And a special thanks to Councilman Rosendahl and his field deputy Len Nguyen for their time and attention to the matters that concern our neighborhood.

Mr. Rosendahl spoke at length about his priorities, including traffic, airports (both Santa Monica and LAX) and city planning. There was also plenty of time spent answering questions and taking suggestions from North Westdale residents. Suggestions ranged from how

to prevent jets from flying into Santa Monica Airport (prize for most creative goes to the man who thought of changing the zoning at the end of the runway so a high rise building could be built!) to what streets most urgently need their traffic lights synchronized.

Mr. Rosendahl also recognized three North Westdale residents for their community service—C.R.A.A.P. founders Marty and Joan Rubin and former Nwana president Pete Castro. A well deserved honor. Thank you Marty, Joan and Pete!
